Creative Writing

Write the Personal Essay

*Do stray comments and incidents trigger thoughts and emotions in you?
Do you mull over these and try to understand the larger picture?
This course will help you turn these into short, meaningful essays and polish them
for publishing or for blog posting.*

The Course Content

You will understand the genre and the rules of writing creative nonfiction. You will use the techniques of writing in scenes, using dialogue, developing characters, describing settings and other aspects of creative nonfiction writing. You will be able to analyse the structure of the personal essay and read, critique and appreciate elegant examples. And you will write your own essays.
