“If you want peace you must work for justice!”

Therefore...C4D

What is C4D?

XIC offers a post graduate course – C4D, the first of its kind being offered in India. It aims at going beyond generating awareness, to creating a grassroots level democratic dialogue about development.

It zeroes in on varied forms of communication such as Copywriting and Visualizing, Interpersonal communication and Public relations, Script Writing, Radio and Film making.

Proposal Development, Programme Management, Research, In-House Campaign Development are also part of the curriculum.
